

Gatekeepers of Science: The Board Members of Scientific Journals

Join the Editorial Board of the European Journal of Mental Health (EJMH)

EJMH is a

- open access
- well-indexed
- interdisciplinary
- double-blind peer-reviewed
- free of charges
- independent, university-owned journal
- scope: well-being in social and ecological context

BENEFITS OF BEING A BOARD MEMBER FOR EJMH:

being part of an international, interdisciplinary scientific team with

- professional and dedicated editors
- easy communication flow
- transparent functioning.

As a Board Member, you may contribute to the direction of mental health in a broad understanding through pre-screening manuscripts, deciding on publications, co-editing thematic compilations, and recommending reviewers in the process of publishing.

Board Members may be independent experts holding a doctoral degree or having an equivalent amount of research experience.
